HOGAN CERTIFICATION WORKSHOP

Hogan's Certification Workshop teaches the interpretation and application of Hogan's three core personality-based assessments:

HPI

The HPI describes how individuals manage stress, interact with others, approach work tasks, and solve problems.

HDS

The HDS describes behaviors that emerge during times of stress, damaging relationships and derailing careers.

MVPI

The MVPI describes an individual's core values – the goals and interests that determine satisfaction and drive careers.

The workshop is designed for talent management and organizational development specialists, HR generalists, HR consultants, coaches and psychologists.

THE CERTIFICATION INCLUDES:

- A set of Leadership Forecast Series Reports
- A complete Leadership Forecast Series set of reports to use with a volunteer post-workshop for field skills practice
- A paperback copy of the course workbook
- The possibility to use the **Hogan Certified** logo on your own business card, web site and headed paper

PARTICIPATION FEES:

- Individual participation fee to the Hogan Certification is € 2.400 (+VAT)
